

CLEAR SOLUTIONS FOR IMPROVED FILTRATION PERFORMANCE™

Ultrafit® Welded High-Performance Liquid Filter Bags

- High Efficiency Performance...
consistent results through precise particle removal
- Graded-Density, *Composite Layer Design Technology™*...
full-depth filtration and enhanced solids loading
- No Sewn Seams...
fully welded construction eliminates solids bypass
- Patented *Zero-Bypass®* Collar...
provides an absolute compression seal
- Absolute Rated...
FDA compliant polypropylene

SEDEK® High-Loading, Liquid Cartridge Filters

- High-Loading...
longer run times with less downtime
- Greater Surface Area...
superior solids loading capacity
- Longer Filter Life...
buy and store fewer cartridges
- Fewer Change-Outs...
reduced media and labor costs, less exposure to process liquids
- Polypropylene or Cellulose...
broad chemical compatibility
